

Vacation for one?

It's nice here,
with the TV.
I know what's next.
It's a gift. Someone
said re-run?
EAT. There's
plastic for pudding.
WALK. If i see
shadows I COVER
my face.
SLEEP. (un-moveable)
The Past—the normal.
No future. No exit.
What is a dream?
WAKE UP. Repeat.
I like it here,
there's a TV.

pardon us, as we are extremely
